

## Welcome to the EMBL Advanced Training Centre, where extraordinary architecture meets cutting-edge research.

Balancing form and function: with distinctive architecture inspired by the DNA double helix, the EMBL Advanced Training Centre is a spectacular venue in which to hold your scientific conference, practical course or corporate event.

Our expert catering team provides a wide range of delicious food and drink options: from simple coffee breaks and finger food, through to full dinner.

The building is completed by the stylish Rooftop Lounge – why not top off your event with some drinks in a relaxed atmosphere whilst enjoying the breathtaking view from the terrace?

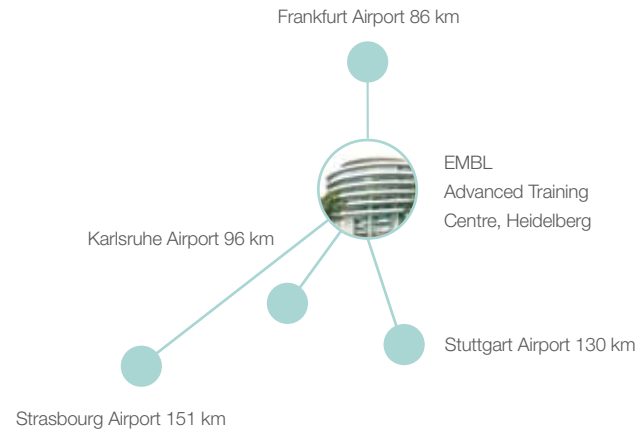

The Advanced Training Centre is part of the campus of the EMBL, Europe's leading laboratory for basic research in molecular biology. Established in 1978, EMBL is one of the world's top research institutions in its field and employs more than 1500 people from 80 nations.

Situated in the heart of Europe, close to the historic Heidelberg, the EMBL Advanced Training Centre is an unforgettable and distinctive venue for your event.

## EMBL Advanced Training Centre – Klaus Tschira Auditorium

The impressive Klaus Tschira Auditorium is the heart of the EMBL Advanced Training Centre. It hosts state-of-the-art technical equipment to ensure your event runs effectively. The 823 m<sup>2</sup> foyer area provides ample space for catering (up to 500 people) and exhibitions.

Capacity: 466 seats (theatre style)  
Size: 471 m<sup>2</sup>

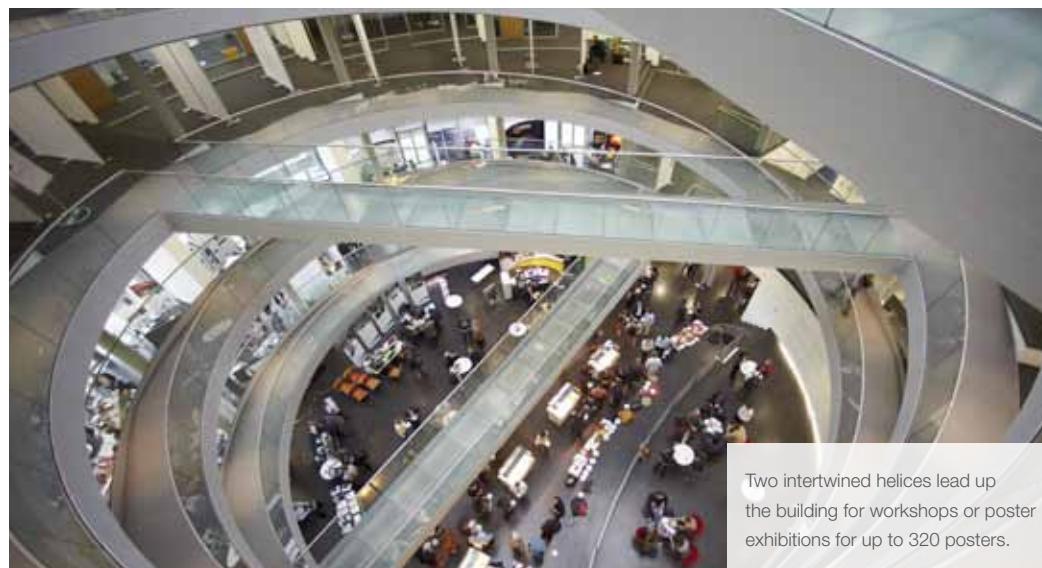

Courtyard Seminar Room  
Capacity: 100 seats (theatre style)  
Size: 113 m<sup>2</sup>

### Helix exhibition area

Training Labs  
Capacity: 24/48 (two per bench)  
Size: 131 m<sup>2</sup>

Two intertwined helices lead up the building for workshops or poster exhibitions for up to 320 posters.

## Meeting rooms

The EMBL Advanced Training Centre features fourteen additional meeting rooms\* including three specially equipped training labs (Computer Training Lab, Training Labs A and B).

All rooms are equipped with built-in, user-friendly audio visual, projection and lighting facilities, backed by the support of our onsite team of professional AV technicians.

Free WiFi access is available throughout the building.
