

Fact Sheet EMBL Advanced Training Centre

The EMBL Advanced Training Centre (ATC) – which celebrated its grand opening in March 2010 - is a unique venue promoting advanced scientific training and education in Europe.

Inspired by the double helical shape of DNA, the ATC hosts state-of-the-art meeting rooms, laboratories for practical courses, and computer labs, together with a spacious 466 seat auditorium, setting a spectacular platform for a new era of conferences.

This exceptional venue is situated in the heart of the prosperous Rhine-Neckar Metropolitan region overlooking Heidelberg.

The EMBL Advanced Training Centre also features a new staff restaurant, delivering high quality event catering, as well as setting the right atmosphere for special receptions in the Auditorium Foyer - with a capacity for up to 500 people - or in the Rooftop Lounge and Terrace with its breathtaking view.
