

Dr. Alina Gales works as diversity manager in the Staff Unit Diversity & Equal Opportunities for the Executive Vice President for Talent Management & Diversity, Prof. Dr. Claudia Peus, at the Technical University of Munich. Before her current role, she completed her PhD in Gender Studies in Engineering & Science. In her doctoral research, during which she was a visiting scholar at UC Berkeley in the USA, she focused on the mutual influence of technology and society by taking gender aspects into account. In addition, Dr. Alina Gales is a speaker on the intersection of gender and technology as well as on the discriminatory factors of Artificial Intelligence. In her weekly newsletter she shares recent media publications on various diversity dimensions.
