

In situ structural biology:

bridging molecular mechanisms with system-wide approaches

9 – 12 February 2027

EMBL Heidelberg and Virtual

Organisers

Fan Liu

Leibniz-Forschungsinstitut für Molekulare
Pharmakologie, Germany

Julia Mahamid

EMBL Heidelberg, Germany

Jonas Ries

University of Vienna, Austria

Stefano Vanni

University of Fribourg, Switzerland

Abstract deadline

3 November 2027

Registration deadline

5 January 2027
