

# EMBO Practical Course

# Metabolite and species dynamics in microbial communities

## SPEAKERS AND TRAINERS

### Deepa Agashe

National Centre for Biological Sciences,  
India

### Sonja Blasche

University of Cambridge, UK

### Rachel Dutton

University of California, San Diego, USA

### Eva-Maria Geissen

EMBL Heidelberg, Germany

### Matthias Gross

EMBL Heidelberg, Germany

### Amrita Hazra

Indian Institute of Science Education and  
Research Pune, India

### Ece Kartal

University of Heidelberg, Germany

### Sandeep Krishna

National Centre for Biological Sciences,  
India

### Sunil Laxman

Institute for Stem Cell Science and  
Regenerative Medicine, India

### Daniel Machado

Norwegian University of Science and  
Technology, Norway

### Nitish Malhotra

National Centre for Biological Sciences,  
India

### Sara Mitri

University of Lausanne, Switzerland

### Jan Provaznik

EMBL Heidelberg, Germany

### Emily Putnam

Tufts University, USA

### Daniel Segre

Boston University, USA

### Denise Selegato

EMBL Heidelberg, Germany

### Aswin Seshasayee

National Centre for Biological Sciences,  
India

### Rajalakshmi Srinivasan

Institute for Stem Cell Science and  
Regenerative Medicine, India

### Laura Villacorta

EMBL Heidelberg, Germany

### Daphne Welter

EMBL Heidelberg, Germany

### Maria Zimmermann- Kogadeeva

EMBL Heidelberg, Germany

## ORGANISERS

### Sandeep Krishna

National Centre for Biological Sciences,  
India

### Sunil Laxman

Institute for Stem Cell Science and  
Regenerative Medicine, India

### Kiran Patil

University of Cambridge, UK

### Elisabeth Zielonka

EMBL Heidelberg, Germany

### Maria Zimmermann- Kogadeeva

EMBL Heidelberg, Germany

# 16 – 21 Oct 2022

EMBL Heidelberg | Germany and  
Bangalore Life Science Cluster  
(BLISC) Campus | India

## ONLINE REGISTRATION ONLY

[s.embl.org/mcd22-01](https://s.embl.org/mcd22-01)

## APPLICATION DEADLINE

25 July 2022
