TWITTER TAKEOVER:

Welcome to the reins of the @embl twitter account @Mariana\_RPalves. EMBL predoc Mariana is just one of the EMBLers who will be at #LiNo18, starting on Sunday and she'll be tweeting here. It's a #LindauTakeover!

 Traduzir Tweet

**EMBL**  @embl · 23 de jun

For the 68th year, Lindau opens its gates to @lindaunobel. Before its start tomorrow, what would you like to know about the #LiNo18 meeting? I'll be happy to answer 🤓 Stay tuned for the first festivities, beginning already tonight... #LindauTakeover

Chalfie told us at #LiNo18 about Otto Loewi, who had his experiment idea while dreaming. To not forget it after waking up, he went straight to the lab to do it. Ina and I imagined if we'd have to climb up the forest to @embl at dawn...But he got the @NobelPrize! #LindauTakeover
