<u>Application Section</u>

a. Please present your research project which you will execute at EMBL including scientific background, objectives, methods, and timeframe (max. 3000 characters).

b. Please explain how this project will influence your own research, advance your career and benefit your future plans (max. 600 characters).

c. Explain why you feel you are competitive for this fellowship (max 600 characters)

d. Will you be applying to other sources of funding to further support yourself during your stay at EMBL? EMBL will accept external co-funding of your stay with external sources of funding, as long this is accepted by such sources, and is declared to the Scientific Visitor Programme office.

Name of funding organisation	Name of funding scheme	Status (select)	Maximum funding value (EUR)

I have uploaded a curriculum vitae (max. 2 pages) and indexed all my references with ORCID

I have uploaded a letter of support on official letterhead from my supervisor/PI

I have uploaded a confirmation from my EMBL Host agreeing to my visit

I accept EMBL's privacy policy on use of personal data submitted in connection with this application

I am happy to be contacted by a company representative from among EMBL's CPP partners to hear about my experience at EMBL, and career progression as a fellowship recipient (optional)
