

Heidelberg highlights

- ▶ Heidelberg castle – Set majestically above the city, this famous landmark dominates the Heidelberg skyline and is deservedly its number one attraction.
- ▶ Philosopher's Way – Follow in the footsteps of some of Germany's greatest minds, and enjoy breath-taking views of Heidelberg old town from across the River Neckar.
- ▶ Old Town – Stretching for a mile along the river beneath the castle, the atmospheric baroque-style Altstadt is the oldest part of the city.
