

# Plant Macro- and Microbiomes – shaping new research frontiers

Explore with us the latest in plant biotic interactions research and its ecosystem impacts; tailored for early career scientists seeking dialogue with experts and career growth.

## 14 – 15 May 2024

Internationales Wissenschaftsforum Heidelberg (IWH), Heidelberg, Germany

### Keynote speakers

**Tom Bennett**  
University of Leeds, UK

**Saskia Hogenhout**  
John Innes Centre, UK

**Sophien Kamoun**  
The Sainsbury Laboratory, UK

**Rosa Lozano-Duran**  
Uni Tübingen, ZMBP, DE

### Organisers

Centre for Organismal Studies (COS),  
Heidelberg University

**Thomas Greb**  
**Marcus Koch**  
**Alexis Maizel**

European Molecular Biology Laboratory  
(EMBL)

**Detlev Arendt**  
**Josipa Bilic Zimmermann**  
**Sarah Dyer**  
**Robert Finn**
