

Safety Instructions for visitors 2022

Health & Safety

WELCOME TO EMBL HEIDELBERG

We hope that your visit will be enjoyable and interesting.

In order to ensure your health and safety whilst on our premises, please read the information given in this leaflet carefully and comply with the instructions given.

Smoking is generally prohibited on our premises. Please smoke only in the designated smoking zones.

Eating and drinking is prohibited in all laboratory areas.

Keep traffic routes clear of obstructions. Stairways, escape routes and emergency exits must be kept free at all times.

Only enter the laboratories if you have been briefed accordingly. Observe all access restrictions.

Use the personal protective equipment required for the job that you are doing.

All accidents have to be reported to your host and to the Health & Safety Office (email to: safety@embl.de)

If first aid is required ...

EMERGENCY NUMBER – 222

A first aid room (room 302B) is located behind Reception in the main building. There is a further first aid room (room 10-205) in the ATC building.

Emergency Procedures

In case of fire press the nearest fire alarm button or dial the emergency number **222** from any internal phone.

Directly leave the building if you hear a fire alarm. Use the marked escape routes and emergency exits. Do not use the elevators. Please go immediately to the next meeting point.

Follow the instructions of the fire wardens, the fire officers and the fire brigade.

Do not re-enter the building unless you are told that it is safe.

For further information, please contact the **Health & Safety Office** (safety@embl.de)
