

SPINE Sample Holders & Vials: Attribution of the Caps Manufacturers IDs*

- 1) As mentioned in the document "SPINE SAMPLE HOLDER & VIAL SPECIFICATIONS-L-RXX", the sample holder manufacturer ID* is the first letter of the Cap ID code. The manufacturer IDs are attributed via the email address spine.sh.mid@embl.fr.
- 2) A manufacturer who has been assigned an ID, will be referred to as a "commercial provider of Spine Caps*" (and optionally vials) on the Spine web site www.spineurope.org. The manufacturer shall inform spine.sh.mid@embl.fr in the case it ceases the activity.
- 3) The IDs are attributed in following scheme:
 - a. The manufacturer addresses a demand to spine.sh.mid@embl.fr, indicating a choice within the letters available.
 - b. The manufacturer choice is confirmed by email and published on the Spine web site www.spineurope.org, SpineSampleHolder page, document Annex1_manufacturersIDs-Rxx.doc (this document).
- 4) Manufacturers ID* List for "commercial providers of Spine Caps and Vials"

**Manufacturer ID's can also be used to identify SC3 pucks*
