

Welcome to the EMBL Hamburg Outstation

Before starting your experiment, please register at the **user office** on the 1st floor of building 47c (room number **L145**, see directions above).

Bikes and **lockers** are available for use during your stay; the keys for both are issued from the User Office. Please contact us in advance to reserve a bicycle.

The **user lab** can be used to store samples and is found in room L018 on the ground floor of building 48e next to the beamlines.

Magnetic access card - If you are using the SPC facility, you will need to pick up your access card from the User Office.

A **wireless network** is available under the name, "EMBL-HH GUEST", in buildings 48e and 47c.

For **late night/weekend access** to the PETRA III building, please use the 47c entrance (see inset).

Toilets are located just off the stairwell on the 1st floor of building 48e and on the 1st floor in building 25a.

DESY Hostel

To check in on arrival, please go to the hostel office in **building 6**. Should you arrive outside of office hours, your room key will be waiting for you at the main gate.

If you depart earlier than planned, make sure to notify the hostel office. If you leave outside office hours, please leave your key and a note with the date, time and your name at the main gate.

Food and Drink

The **canteen** (building 9) is open Monday to Friday from 11:00 until 14:00. In the same building, you can find a cafeteria (Mon-Fri 7:00-17:00) and a bistro (Mon-Fri 17:00-23:00; Sat-Sun 10:00-17:00).

A fridge and a microwave are at your disposal in the **EMBL coffee room** on the 2nd floor of 48e (lower fridge designated for visitors). **Vending machines** for drinks and snacks can be found on the 1st floor of 48e next to the toilets.

A small **supermarket**, "Penny Markt", is located at the bottom of the street "Zum Hünengrab" opposite the main gate.
